President's Message

Fellow Republicans! 2018 is an exciting election year! The Primary Elections are August 28, 2018. If you are a registered Republican you will be able to vote in the Florida Primary. As a reminder, Florida is a Closed Primary State, which means that individuals must be registered as a Republican or Democrat in order to vote.

Unfortunately, July 30, 2018 was the last day to register for the Primary. This will not affect you voting in the General Election on November 6, 2018. It is important that we elect the **best** candidate for the General Election for each of the Offices. A candidate that can beat any Democratic candidate that win their Primary. We have strong Republican candidates for the offices of United States Senator, United States House of Representative, Florida Governor, Attorney General, Agriculture Commissioner and Consumer Services and Chief Finance Officer. They have all been at our Club meetings or in The Villages. Please vote in the Primary to ensure your candidate in on the November ballot. After the Primary we will fight to make sure that we keep Florida **RED**. This is important to ensure the President Trump has the United States Senate and House of Representatives to further his agenda to **MAKE AMERICA GREAT AGAIN**. Tell your neighbors, friends and family to vote to keep American strong.

Governor Scott has made Florida strong with a great economy, crime at an all-time low, more visitors to the State and The State topped \$1 trillion Gross Domestic Product (GDP) in July. We can keep this going with the election of Republican candidates that want to keep the State strong on creating jobs, lowering taxes, keeping the residences and visitors safe and building on what Governor Scott has started.

FLORIDA PRIMARY on August 28, 2018 – VOT! VOTE! VOTE!

By keeping Florida **RED** we help keep President Trump in office in 2020!

TRUMP 2020!
