President's Message

We need to continue working hard to ensure President Trump wins the White House again to further his agenda to **MAKE AMERICA GREAT AGAIN** and for **KEEPING AMERICA GREAT** for generations to come.

We hope you and all Americans are doing well with this COVID 19 virus pandemic. We would also like to thank everyone for following the CDC and Florida Health guidelines which caused the slowing of the pandemic. Let's continue to follow the CDC and Florida Health guidelines about social distancing, covering when coughing or sneezing and washing your hands, etc.

Many things have been happening since last month. Democratic Presidential Candidate Sleepy/Creepy Joe Biden has continued to open mouth and insert foot repeatedly. The latest is his remarks on a radio show - The Breakfast Club - on Friday, May 22nd, where he stated "*I tell you if you have a problem figuring out whether you're for me or Trump, then you ain't black*". Many Black leaders have stated that this remark is offensive and racist. His pick for Vice Presidential candidate makes him even worse. Harris is a far left radical who wants to destroy America. She only help President Trump WIN in November. She has done nothing while in Congress but show how ignorant she can be on a variety of topics. Please don't believe any of Joe Biden, Harris or the Dems lies. The riots are their issue along with many other propaganda items they have lied to the American people for decades.

We need to talk to our neighbors, friends and family about what is going on in our Country and get them to get out and vote. **AND VOTE REPUBLICAN!** Talk to Democrats about how their Party has left them and they can switch their Party affiliation to Republican. We also need to fight every lie the Democrats attempt to tell America. Go to promiseskeep.com for help.

TRUMP 2020!
KEEP AMERICA GREAT
